Top 10 Ways Educators Can Implement Jebbee

However your day is structured, here are ten easy ways to bring Jebbee into the classroom and start the conversation about careers, colleges, and what comes next.

1

AT ORIENTATION

Introduce students early and start the career conversation from day one.

2

IN ENGLISH CLASSES

Pair it with goal-setting, future planning, and college essays.

3

IN ADVISORY & HOMEROOM

Give students dedicated time to explore pathways and build profiles.

4

AFTER STATE TESTING

Turn post-test downtime into meaningful career exploration.

5

IN ECONOMICS & FINANCE

Connect careers to earnings, budgeting, and life planning.

6

IN ELECTIVE COURSES

CTE, business, health sciences, tech, engineering, and more.

9

AS A TIER 1 LESSON

Build it into counseling to support readiness for every student.

8

AT PARENT NIGHTS

Have students and families create accounts together on career night.

7

AS A CAREER DAY CHALLENGE

Make it a fun challenge for College Application Month or Career Day.

10

IN WORK-BASED LEARNING

Connect with local businesses for internships, shadowing, and co-ops.
